## Why Learning Chinese Here

### Center for Teaching Chinese as a Foreign Language (CTCFL):

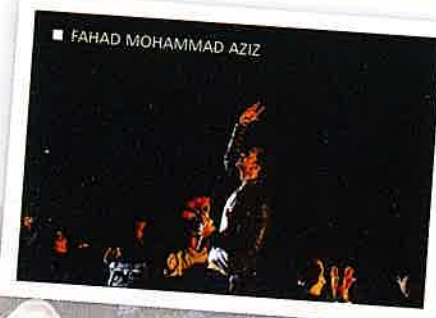

- Founded in 1993 and has cultivated several thousand international students who can speak fluent and native Chinese after extensive training during the past decades;
- A group of teachers with rich teaching experience and good reputation;
- Multiple levels from A to G are offered to meet the needs of international students from very beginner to advanced learner. Medical Chinese and Business Chinese are also offered with the reference to the dominant disciplines such as Business Administration and Medicine in HUST;
- Distinctive Chinese Language & Culture Programs including learning Chinese language, experiencing Chinese culture, visiting China's scenic spots, taking internship in Chinese companies;
- HSK test center available on campus which is convenient for the students;
- Colorful student activities and urban sightseeing organized in every semester;
- Chinese Corner every month and free Chinese tutor programs available;
- Good partnership with Institut Supérieur d'Electronique de Paris (France), Wayne State University (U.S.A.), University of Birmingham (U.K.), University of Canterbury (New Zealand), University of Technology, Sydney (Australia), Andong National University (Republic of Korea), Gyeongsang National University (Republic of Korea), Yeungnam University (Republic of Korea) and National University of Mongolia;
- Graduates with higher possibility to be admitted by HUST or other highly ranked universities as a degree student.

## Chinese Summer Program (CSP)

Chinese Summer Program (CSP) aims to introduce and display Chinese culture and China's general condition to students through lectures, seminars and activities in a period of 2-6 weeks. Since 2010, we have collaborated with universities from other countries like France, the UK, America, Australia, New Zealand and Mongolia. There have been more than 1000 international students who have joined CSP so far and 8 parts are covered as below:

### Chinese language learning

Main Courses: Chinese listening, speaking, reading guided by well-selected textbooks.

### Lectures on Chinese culture

Popular topics like Chinese characters, Chinese festivals, Chinese art will be introduced in an interesting way.

### Chinese talent show

Things to learn: Making Chinese dumplings, paper cutting and Chinese knots; Practicing calligraphy; Appreciating Guzheng (traditional Chinese zither) and Taiji performance.

### Entertainments and sports activities

For program participants and Chinese students: 1) Party; 2) Football competition.

### Sightseeing in Wuhan

Famous scenic spots in Wuhan: 1) Yellow Crane Tower and Hubuxiang Lane; 2) Yangtze River, East Lake, Hankou Beach and Jiangnanlu Pedestrian Street; 3) Guiyuan Temple; 4) Hubei Provincial Museum; 5) Hubei Museum of Art; 6) HUST Science Park; 7) Wuhan National Opto Lab and so on.

### Sightseeing outside Wuhan

Mt. Wudang and Three Gorges Dam are recommended (optional/fee exclusive in the tuition).

### Seminar

Group discussion on topics which the students are concerned about with

## 3+3 Program

3+3 Program consists of 3-month Chinese learning and 3-month internship in Chinese companies mainly in HUST Science Park. Founded in 2000, it's a high-tech center for 55 enterprises covering various fields like IT, photoelectron, numerical control and electrical category, cast finance, business incubation, cultural publishing, creative design and architectural design etc.

3+3 Program has run for 6 years and is in good collaboration with international partners like Rheinisch-Westfaelische Technische Hochschule Aachen(Germany); University of Birmingham(UK) and Institut Supérieur d' Electronique de Paris(France).

### 3+3 Program includes:

**Language learning:** 20 hours / week

Main courses like Elementary Comprehensive Chinese, Chinese Reading, Chinese Listening, Chinese Speaking, Business Chinese and China Panorama are offered.

**Internship:** 8 hours / day

Students will be divided into different groups according to their interest and be allocated to the respective enterprises to finish certain assignments.

**Cultural activities and sightseeing**

Learn Kongfu / Chinese calligraphy / paper cutting; Visiting Wuhan scenic spots and enterprises.

**Opening Ceremony and Closing Ceremony**

Certificate of Completion / Certificate of Internship will be granted in the closing ceremony.

### Notes for CSP and 3+3 Program:

- 1) Adaptation could be made based on personal needs.
- 2) No special request on Chinese language proficiency is needed for the applicants.

## Location & Contacts

Wuhan, capital of Hubei Province, is the largest city in central China and is one of the Top 10 megacities in China with an area of about 8,494 square kilometers. There were about 10.33 million permanent residents by the end of 2014 and it has long been the regional and even national hub for education, economy and transportation.
