

2026 English-medium Programs for Visiting Student and Scholar at HUST

Categories:

G - General Scholar (Undergraduate and Master Visiting Students)

S - Senior Scholar (PhD Students or Faculty Members)

Disciplines: Science & Technology

Schools	Programs	G	S
School of Chemistry and Chemical Engineering	Chemistry	•	•
School of Mechanical Science and Engineering	Mechanical Engineering	•	•
School of Materials Science and Engineering	Materials Science	•	
	Materials Processing Engineering	•	
	Material Science and Engineering		•
China-EU Institute for Clean and Renewable Energy	New Energy Science and Engineering	•	
School of Energy and Power Engineering	Power Engineering and Engineering Thermophysics		•
School of Electrical and Electronic Engineering	Electrical Engineering	•	•
School of Naval Architecture and Ocean Engineering	Naval Architecture and Ocean Engineering	•	•
College of Life Science and Technology	Botany	•	•
	Microbiology	•	•
	Genetics	•	•
	Biochemistry and Molecular Biology	•	•
	Biophysics	•	•
	Hydrobiology	•	•
	Biomedical Engineering	•	•
	Biopharmaceuticals	•	•
	Bioinformatics	•	•
Biomaterials and Tissue Engineering	•	•	
School of Electronic Information and Communication	Information and Communication Engineering	•	•
School of Artificial Intelligence and Automation	Intelligent Science and Technology	•	•
	Control Science and Engineering	•	•

Schools	Programs	G	S
School of Computer Science and Technology	Computer Science and Technology	•	•
School of Civil and Hydraulic Engineering	Civil Engineering	•	•
School of Environmental Science and Engineering	Environmental Science and Engineering	•	•

Disciplines: Management & Economics

Schools	Programs	G	S
School of Management	Management Science and Engineering	•	•
	Science of Business Administration	•	•
School of Economics	Regional Economics	•	•
	Finance	•	•
	Industrial Economics	•	•
	International Trade	•	•
	Quantitative Economics	•	•
College of Public Administration	Public Administration	•	•
	Land Resource Management	•	•
	Electronic Government	•	•

Disciplines: Literature & Law

Schools	Programs	S
School of Law	Law	•
Institute of Educational Sciences	Education	•
	6 Divisions: Educational Principle ,Higher Education, Educational Psychology, Institutional Research, Education Policy and Leadership, Engineering Education	•
