Telecommunication Engineering

School of Electronic Information and Communications
Huazhong University of Science and Technology

Introduction:

Aiming at bringing up students mastering theoretical principles and information retrival, transfer, process and application and practical abilities to design various communication and information systems.

The School of Electronic Information and Communications has a history of 59 years. It has the National Electrical and Electronic teaching base, Wuhan Photoelectric National Laboratory, National Security Engineering Technology Research Center research base, and many other national and provincial research bases and teaching experiment centers.

Core curriculum:

Complex Function and Integral Trasform, Probability and Mathematics Statistics, Circuit Measurement Experiments, Digital Circuit and Logic Design, Analog Electronics, Course Project of Hardware/Software, Operation System, Matlab and System Imitation

Tuition fee: 30,000 RMB/Year

Acommondation fee:

Duration: 4 Years

Degree: Engineering

Room types	Payment	Location
Single room	1200 RMB/month	On campus
Double room	700 RMB/month	
Facility	Washing room, water heater, air conditioner, Internet, furniture	

Other related fees:

1. Text books fee: 200RMB/year/person (Approximately)
2. Living cost: 600---1,200RMB/ month/person
3. Residence Permit fee: 400 RMB/ year/person
4. Physical examination fee: 300 RMB/ person (at most)

Online Application：

http://admission.hust.edu.cn/

Application document：

1. One photocopy of your passport;
2. An official certificate of your highest education;
or An official Certificate of Enrollment for the ones still at school;
3. An official transcripts;
4. Language Proficiency certificate.

Time：

January15th to June 30th, 2022.

Scholarship available：

Entrance Scholarship Program   2,000-5000 RMB
(To be eligible, applicants must be entering their first year in an undergraduate degree program at HUST)

Potential employers：

中国工商银行 INDUSTRIAL AND COMMERCIAL BANK OF CHINA   中国建设银行 China Construction Bank   HUAWEI   AirAsia

SIEMENS   ZTE中兴   FiberHome   NEC
